

Galatians 4.4-5  
The Miracle of the Moment

**Key thought:** As we approach Christmas the birth of God Incarnate, God Among Us, God the Savior, Jesus Christ – we need to remember that every aspect of Jesus' life points to His redemptive work. So, the challenge during the Christmas season is to see the whole of Jesus not just an aspect or one truth. We will take the next few weeks and see the miracle of Christmas – The Gospel!

*The Miracle of the Moment:*  
(Not “just in the nick of time” but sovereignty!)

“Fullness of time came”

“God sent forth His Son, born of a woman, born under the law”

“So that He might redeem”

“That we might receive the adoption as sons.”

**Conclusion:** When you consider God’s sovereign timing in sending His Son – is there anything in the life of a follower that He is orchestrating? The God of Heaven and earth, the creator of all that exist who at the “fullness of time...sent forth His Son” knows who you are, where you are, and what is best. Rest in that reality this Christmas Season and move out in obedience knowing your Father is present and all powerful. ALLOW TRUTH TO STIR ACTION!
